5. Definitions:-

- a. “appropriate authority” means the authorities declared by the State or Central Government which approve and regulate the professional courses or educational disciplines;
- b. “Fees” means the amount fixed as fee which includes tuition fee, library fee, gymkhana fee, examination fee, development fee or amount payable for any curricular or co-curricular activities, laboratory fee, information brochure fee and any other amount collected from the students, by whatsoever name called, and accepted in whichever manner, that is made payable to a Private Professional Educational Institution, for whatever purpose, by any candidate admitted to a professional course at such institution, but excludes any charges payable towards use of any optional hostel accommodation, mess charges and Students Insurance Fees;
- c. “management” means the managing committee or the governing body, by whatever name called, of the Private Educational Institution to which the affairs of such Institution are entrusted and where such affairs are entrusted to any person, by whatever name or designation called, includes such person;
- d. “Private Educational Institution” means any college, school, institute, institution or other body, by whatever name called, conducting any course or courses approved or recognized by the appropriate authority and affiliated to Maharashtra State Board of Technical Education.

- 6. Eligibility:** - Every institute who has completed two academic years since its inception is eligible to apply for the fees fixation for academic year 2025-26. It is mandatory for such institute to submit fees fixation proposal for the academic year 2025-26.

New institutes starting in the current academic year need not submit fees fixation proposal for academic year 2025-26, such institutes are allowed to charge Ad-hoc fees as prescribed in clause 7.

7. Ad-hoc Fees:

- a. At the beginning of each academic year, the Fees Fixation Committee shall declare the maximum recommended ad-hoc fees for all the new institute (s) starting new courses in the said academic year.
- b. The new institute (s) shall collect ad-hoc fees, as declared by the Fees Fixation Committee for the respective academic year, from the newly admitted students.
- c. The new institute (s) shall collect the same ad-hoc fees from the newly admitted students in the next subsequent academic year.
- d. The Institute(s) shall take undertakings from the students that the current fees charged to them are only ad-hoc fees, and they are subject to changes.
- e. The new institute shall apply for fixation of fees in its third academic year from the academic year of starting the institute.
- f. While finalizing the fees for third academic year, the ad-hoc fees for two previous years shall either be confirmed or altered. In case there is an alteration on either side, the students shall have to pay/receive the difference as the case may be.

Example:

1. If an institute starts in the academic year 2024-25, Ad-hoc fees decided by FFC for the academic year 2024-25 should apply to the institute for the new admissions in the academic year 2024-25 and 2025-26.
2. Students admitted in AY 2024-25 in such institutes and proceeded to second year shall continue to pay same Ad-hoc fees for their second year i.e. AY 2025-26.
3. For the new institute started in the Academic year 2024-25, the Ad-hoc fee decided by the FFC for the academic year 2024-25 shall be confirmed by the FFC in the academic year 2026-27. Therefore, the institute that have collected the ad-hoc fees for the academic year 2024-25 and 2025-26 shall have to mandatorily submit the proposal for the fixation of fees for the academic year 2026-27 for finalization of ad-hoc fees charged for the academic year 2024-2025 and 2025-2026 which will be decided based on Audited financial statement (s) of the financial year 2024-25.

8. Submission of Proposal for approval of Fees to Fees Fixation Committee (FFC):

- a) It is obligatory for the Management of the Unaided Private Diploma Educational Institution(s) to submit the proposal for approval of fees on or before 31st October of the previous academic year in a manner prescribed under the said provision as per the Ref. No 1 and 6.
 - i) In the event of non-submission of the proposal for revision of fees to the Fees Fixation Committee within the time limit specified, the fee structure as approved by the Committee and applicable during the previous academic year shall continue to

apply. However such institutes need to take permission of Fees Fixation Committee for the respective academic year to execute this option as “No Revision of Fees”.

- ii) The option “No Revision of Fees” can be availed by only those Institutions and courses for which the fees were determined by the Fees Fixation Committee for the immediate preceding academic year and the Institution would like to apply the same fee structure approved for the previous academic year for the immediate next academic year.
- iii) The option u/s 14(1)(b) of ref no 1- Act of 2015 to continue and apply the fee structure of the previous academic year shall not be available for the next two or more consecutive academic years.

Illustration: If the Fees Fixation Committee has determined and approved the fees for the academic year 2024-2025 in respect of the ‘A’ course run by the Institution,-

- i. Then such Institution can continue to apply the fees structure approved for the academic year 2024-2025 in respect of said ‘A’ course for the next academic year 2025-2026 by choosing the option of “No Revision of fees” for the academic year 2025-2026.
 - ii. However, such Institute shall not be entitled to opt for “No Revision of Fees” for the academic year 2026-2027 and onwards based upon the determination of fees by the Fees Fixation Committee for the academic year 2024-2025.
- b) Failure to submit the proposal in a manner prescribed u/s 14(1)(a) of Ref No 1- Act of 2015 within the time prescribed by the Committee shall be liable for penal consequences as provided u/s 20 of Ref No 1 -Act of 2015 and the Principal and the Management running the Institute shall be responsible for such action.
 - c) It is necessary for the Management running the Institute to take care and ensure that the information provided in the proposal is true and correct and is based upon genuine documents and evidences.
 - d) If it is found that the information provided in the proposal was incorrect or the documents were fabricated or fake books of accounts, documents, or any evidence was created for the submission of the proposal to the Fees Fixation Committee, whether or not such act is done for profit or gain, the Management running the Institution shall be liable for commission of offenses punishable u/s 20(2) of Ref No 1 - Act of 2015 as well as the offenses under Indian Penal Code and other prevailing laws.
 - e) If on receipt of complaint / grievance from the Stakeholder(s) or otherwise, it is found that the Institution has charged the fees in excess of the fees approved by the Fee Fixation Committee, such Institution shall be liable to return such fees, to concerned students or to the government if paid by government in the form of scholarship, besides the penalty as provided u/s 20(1)(a) and (b) of the Ref No 1- Act of 2015.
 - f) On repetition of contravention and/or irregularity by any Institution, the name of such Institution shall be recommended by the Fees Fixation Committee for the withdrawal of affiliation or approval to the concerned Competent Authority.
 - g) Fees for the academic year 2025-2026 shall be finalized on the basis of the proposal submitted along with audited financial statements for the financial year 2023-2024,

the proposed budget for the financial year 2024-2025, and the relevant records and evidences as prescribed by the Fee Fixation Committee with the proposal.

- h) It should be noted that the subsequent documents, information, and other developments shall not ordinarily be considered while fixing the fees. While deciding the fees for the academic year 2025-2026, the Balance Sheet and additional information such as sanctioned strength, approval status of teaching faculty, etc.; regarding the financial year 2023-2024 will be considered. Any development after 31-03-2024 will ordinarily not be considered.
- i) The proposal for fees shall be submitted on the portal of the Fee Fixation Committee by uploading the requisite documents and information in the manner and format as prescribed by the Fee Fixation Committee.
- j) While submitting the proposal, the concerned official of the Institution shall ensure that the expenses claimed are shown under corresponding and appropriate heads as provided in the proposal form. The expenses claimed in the proposal form must match with the Audited Income and Expenditure Account.
- k) If any expenditure which is permissible and lawful expenditure made for imparting education/teaching to students but for which no specific head is provided for the same in the proposal form, then all such expenses must be claimed under the head of "Other Expenses". The item-wise list of such other expenses with the details of the nature of expenditure and the amount shall be uploaded with the proposal. Supporting evidence in the nature of genuine bills, etc.; shall also be submitted. Such expenses must match with the Audited Income and Expenditure Account.
- l) The proposal must be submitted along with the required processing fee before submission of the proposal and details of it should be mentioned at the beginning of the portal. The applicable fee will be calculated course-wise at the rate of 0.1% of the proposed fees claimed by the Institute in respect of such course seeking approval of fees, provided that, the processing fee payable shall not be less than Rs. 15,000/- per institute. The processing fee must be paid through the payment gateway as provided. No payment of processing fee shall be accepted by way of deposit of cash, cheque, demand draft, etc. The receipt of payment must be submitted with the hard copy of the proposal as proof of payment of processing fees. If institute wants to avail "No Revision of Fees" then the processing fee payable shall be Rs. 7,500/- per institute.
- m) The hardcopy of the proposal must be submitted in person to Fees Fixation Committee office with proper Index and pagination with legible copies of the documents arranged in the manner provided in the checklist within 8 working days, from the date of online submission of the proposal seeking approval of fees. The default and delay in submission of hardcopy may lead to rejection of the proposal.
- n) All the objections raised by the office, in the respect of the proposal, must be removed, rectified, or complied with, within 7 working days from the date such objections are notified and brought to the notice of the concerned officials of the Institute.
- o) All queries, clarification, explanations, additional information, and documents called by the Committee must be complied with and furnished by the Institute within the time prescribed in such letter of requisition. Failure to which it will be treated that the

Institute has no explanation to offer and the Committee shall proceed to decide the proposal by drawing appropriate inference.

9. Segmental and Mercantile Accounting:

- a) The Management running the Institute must follow the Mercantile method of Accounting while maintaining the books of account of the institute(s).

- ii) The general guidelines issued by the AICTE/ Appropriate Authority in respect of salary and non-salary expenditure may be considered while considering the reasonableness of expenditure while determining the fees of Courses affiliated to AICTE / Competent Authority.

10.3 Income to be reduced from the expenditure:

- a) The Institute(s) is/ are strictly prohibited from collecting any excess fees/ charges other than those approved by the FFC and any fee levied by the MSBTE (Board). Serious action will be taken against those who violate these directives or suppress the facts.
- b) No Extra fees from students: The institute(s) will not collect any fees other than fees declared by the FFC. No fees/ charges can be collected in the name of Stationery Charges, ID-Card fees, Gymkhana fees, library fees, laboratory fees, excessive fees for breakage, excessive fine for late payment, admission fees, enrolment fees, or any other fee/ charges by whatever name called. These will be considered as income of the institute(s) and as such the same will be reduced from expenses. Even if such amounts are collected from the students in the name of the trust or any other body, the same will be considered as income of the institute(s) and as such will be reduced from expenses.
- c) Disciplinary fine and late payment fee, if levied, shall be reasonable and not excessive and it shall be considered as 'income' to the institute(s) while deciding the tuition fees.
- d) Other Income of Institute(s): The institute(s)s shall also state separately if any income is earned by using the institute(s) property/infrastructure or any other source/s during the academic year other than fees. Any net income earned by the institute(s) using resources of the Institute(s) shall be reduced from the expenses. Example: Running different Non-MSBTE, Non-AICTE / Non-PCI courses in the same premises either in the evening or second shift. Similarly, any amounts collected from students will also be reduced from the expenses. To ascertain the total income of the institute(s), Fees Fixation Committee (FFC) may refer to the financial statements of the trust or other units or institute(s) run by the trust. If an institute(s) receives any grant, sponsorship money, advertisements, canteen or parking contract receipts, or any other income collected by a third party, the same shall be reduced from the total expenditure of the institute(s). The institute(s) should provide the details of a grant received (Government/ Private/ Industry) along with its nature like a recurring or non-recurring or specific grant.
- e) Details of collected fees: The institute(s) shall submit the statement and working of fees collected from the students from different categories (like an institutional quota, NRI quota, etc.) giving year-wise breakup, number of students, and rates of fees. If the institute(s) is found to have collected fees in excess of the fee structure approved by the Fees Fixation Committee (FFC), the institution shall be liable to refund the excess fee to the students, apart from further course of action as per law.

- f) Statutory Fees: Fees prescribed by the MSBTE (Board) for Exams, sports, eligibility, etc. may be collected and paid directly to the MSBTE (Board). Only the net effect will be considered in the fee fixation.
- g) Ordinarily, Non-Salary Revenue Expenditure (after reducing all other income earned by the institute(s)) shall not exceed 45% of salary expenditure as has been allowed by the Fees Fixation Committee (FFC). This percentage may vary at the discretion of the Fees Fixation Committee (FFC) having regard to the location, type of course, etc.
- h) In case any extra collection (more than regular fees) is made from the students in the Institutional/ NRI quota such extra income shall be truthfully disclosed and shall be considered as income earned. Fees Fixation Committee (FFC) reserves its right to initiate penal or legal actions provided u/s 20 of Ref 1 - Act of 2015 in case false, insufficient, wrong, incomplete, or misleading information is provided by the institution.

10.4 Inflation Adjustment:

While computing the fees for the academic year, the inflation adjustment in aggregate 6% over salary and non-salary expenditure made during the previous audited financial year shall be considered.

10.5 Other Fixed Expenses:

a) Depreciation:

(1) The Institute shall be entitled to claim the depreciation at the rates mentioned below on the items specified only:

1.	Books including e-books	25% on the WDV Method
2.	Computers and software	25% on the WDV Method
3.	Machinery, Furniture, Vehicles etc.	15% on the WDV Method

(2) Details of all asset additions along with proofs shall be submitted along with the proposal.

(3) The depreciation cost will be based on the reasonable capital expenditure incurred in relation to academics. In case the cost of depreciation found to be unreasonable the cost may be disallowed.

b) Usage Charges:

- a) The institute(s) shall be entitled to claim usage charges for the Infrastructure at the rate given hereunder per student per year as per sanctioned intake.

5	Other than the above (E.g. Gram panchayat)	Nil	Nil	Nil

- i. If the Land or Building has been provided by the government or any other public body, the usage charges and additional usage charges be reduced by 25%.

- ii. If the institute(s) building is used for any other courses not covered by FFC the usage charges shall be proportionately disallowed.

d) Equalization factor:

In view of section 14(6) of the Act of 2015, the Institute running the courses shall be entitled to Equalization Factor at the rate mentioned below during the academic year 2025-2026.

Course duration in year	Equalization factor
2	1.50%
3	3.03%

The benefit of the equalization factor at the rate mentioned above based upon the duration of the course shall be applicable for the academic year 2025-2026 and the same shall be calculated on salary and non-salary expenditure excluding depreciation, usage charges and interest on loan.

10.6 Denominator Factor:

While considering the denominator factor, sanctioned intake and actual intake, whichever is higher shall be considered.

10.7 Advantage in case of fewer admissions:

- a) If the admissions are up to 70% of sanctioned intake, a 5% increase shall be given;
b) If the admissions are up to 40% of the sanctioned intake, no vacancy allowance shall be admissible.

11. Development fees:

- a) Reasonable surplus, meant for the development or expansion of the institute(s)/institutions is fixed on the basis of 10% of the tuition fees. This development fee could be charged only if the institution has provided all the infrastructure and other facilities as per norms. A copy of the latest AICTE/ PCI/ COA/ MSBTE (BOARD) etc. approval is required to be submitted along with the proposal to claim this development fee. The development fees will not be allowed by the Fees Fixation Committee (FFC) if it is found that only nominal expenditure on development is incurred based on the audited Balance Sheet with respect to the accumulated surplus for the earlier financial years.

As development fees is over and above the tuition fees, a certificate in this regard indicating accumulated amount and expenditure made for development in the relevant financial year, shall be submitted by the management with the proposal.

- b) Autonomous Institute(s) will be given development fees of 12% instead of 10%.
c) Faculty with approval of DTE/ MSBTE more than 60% will be considered for incentive of 5% of development fees.

- d) Accreditation Incentive: The institute(s)/institution will be allowed additional fees based on accreditation offered by the NBA to the courses conducted by the institute as mentioned below.

% of courses offered NBA accreditation	Incentive
Minimum 50%	15% of Development Fees
More than 50% & up to 75%	20% of Development Fees
More than 75% & up to 90%	25% of Development Fees
More than 90% & up to 100%	30% of Development Fees

- e) Placement of students

Placement of students	Incentive
More than 30%	2% of Development Fees
More than 50%	5% of Development Fees

Provided that in no case the development fee plus incentive for the development fee shall not exceed the limit of 15% of the Tuition Fee.

12. Hike & Reduction in fees:

Notwithstanding anything provided hereinabove, the Fees Fixation Committee (FFC) may decide any fees which in its opinion are reasonable, which in appropriate cases may result in a reduction from previous years' fee or retaining the earlier years' fee. Ordinarily, the hike may be restricted to 10% considering the fees actually approved for the last year. This limit of 10%, however, shall not be applicable if the substantial increase in the expenditure is due to a rise in the human resources expenditure owing to revision in the pay scales, taxes, etc.
